In re PATENT application	:	
Beom-Jun Jin et al.	:	Group Art Unit 2826
Application No. 10/685,569	:	Examiner Wilson, Scott R
Filed October 16, 2003	:	

Title: Semiconductor Memory Device Having Multi-Layered Storage Node Contact Plug and Method for Fabricating the Same

COMBINED REQUEST FOR NEW NON-FINAL OFFICE ACTION AND REQUEST FOR RECONSIDERATION

**Commissioner for Patents
Mail Stop Amendment
P.O. Box 1490
Alexandria VA 22313-1450**

Sir:

This is in response to the Office Action dated July 13, 2004.

Request For New Non-Final Office Action

The Office Action dated July 13, 2004, indicates that claims 1-20 are pending in the application. However, on October 16, 2003, Applicants filed a Preliminary Amendment in which page 1 of the specification was revised, and in which claims 1-13 were canceled.

A copy of the Preliminary Amendment is attached, together with a copy of a corresponding returned postcard receipt.

Noting that the Examiner comments are almost exclusively directed to cancelled claims 1-13, it is submitted that a next Office Action (if any) should be made non-final.
